OTHER OPTIONS TO ENHANCE YOUR PROTECTION

GAP - GUARANTEED AUTOMOTIVE PROTECTION

The plain truth is that some Automobile Insurance Policies fall short of covering you when you really need help the most. In the event of a total vehicle loss or unrecoverable theft, your insurance company may not pay off your existing loan or lease amount. That financial liability then becomes yours.

In the unfortunate event that you experience a total vehicle loss due to theft or accident, Mopar Vehicle Protection's GAP Program will provide the following benefits:

- Pays the difference between what you owe on your vehicle and the settlement paid by your insurance company, including balances due as the result of a primary carrier deductible of up to \$1,000*
- Covers the entire term of financing (up to 84 months)
- Eliminates the threat of out-of-pocket debt associated with vehicle loss and promotes a more positive financial situation for your next vehicle purchase or lease.

GAP Plus pays the consumer an additional \$1,000 benefit if the vehicle is involved in a total loss.

Note: options are restricted in the following states: AK,FL,GA,IL,KS,MD,NY,TX,WV,WI,OR,NV

*Please see waiver for details on payment calculation and exclusions

- Repair or replacement coverage for all four (4) tires and wheels damaged due to road hazard conditions
- Covers damage from curbs, potholes and other road hazard conditions
- Cost of mounting, balancing, valve stems
- Both original equipment manufacturers (OEM) and after-market tires and wheels
- Replacement of tire pressure sensor gauge if damaged as a result of road hazard conditions
